If you want to pay via PayPal, please leave your form in a sealed envelope in the locked mailbox at the front of the gym. Indicate on your form that you are paying via PayPal. After you click on Pay or Send Money then select Send Money to Friends and Family (this prevents additional fees being added to the transaction). We will contact you as soon as we receive your registration form to let you know if you have been accepted or have been placed on the waitlist. If you are on the waitlist, you will be contacted as soon as a spot opens.

### **Tuition and Fees**

GymGeeks Learning Academy does not require a full year's payment in order to enroll. Payment must be made by the first of each month, or you can choose to pay by semester.

At GymGeeks Learning Academy we ask that our families commit to paying for a full semester's tuition, regardless of payment schedule. For example, if you choose to leave in October, you will be responsible for tuition through December. If you leave during the second semester, you are responsible for tuition through May. This allows us to financially plan for each semester.

#### **Non-Refundable Enrollment Fee: \$250**

(Due with Tuition Agreement – Annual Fee)

#### **Monthly Payments: \$550**

(Due on the 1st of Each Month starting Sept. 1)

#### **Semester Payments: \$2,475**

(Due on the 1st of Day of Each Semester)
